RE: Gabion, Reno Mattress and Terramesh Installation

Dear Sir,

This letter serves to confirm that Geofabrics Australasia PTY LTD considers **GROUNDTECH GEO** to be a specialist Gabion and Reno Mattress contractor. Inspections by Geofabrics of various woven mesh installations undertaken by **GROUNDTECH GEO** indicate that the units are installed as per the Geofabrics Australasia PTY LTD installation recommendations to a very high standard.

This letter is valid until 30 June 2011 at which stage further inspections will be made.

Yours faithfully,
Geofabrics Australasia Pty Ltd
